Welcome to the Den

Bolton, whose bold bid for a return to the First Division last season was thwarted in the dying stages, are welcome visitors to The Den this afternoon. Once more the 'Trotters' are on the threshold of promotion as well as being poised for a visit to Wembley in the League Cup Final. It's often said that when a club becomes deeply involved in Cup competitions at the same time as it's pressing for promotion then it's highly probable to miss out on honours in both. We feel sure that any criterion there may be for this in the past will not deter a club like Bolton bidding for a double of League Cup and promotion. Obviously with their traditions and 'set up' the Lancashire club should be among the elite and that must be their principal target, but being ninety minutes away from a glamorous final at Wembley also has its attractions, so why not the 'double'. Why not, indeed! Bolton Wanderers were one of the original dozen clubs who formed the Football League back in 1888. They started as Christ Church F.C. in 1874, adopted their present title in 1877 and became professional in 1880. In the early years of their League existence they alternated between the First and Second Divisions and although they have never won the League Championship they have been close to it on three occasions being Third in 1891/92, 1920/21 and 1924/25.

Bolton's longest unbroken spell in the First Division lasted 22 seasons from 1935/36 until 1963/64. They spent two seasons in the Third Division after losing second division status in 1970/71. Winning the Third Division Championship in 1972/73 brought them a step nearer to the First and since then they have steadily built themselves up to their present position. Several famous personalities have brightened the Bolton scene in the past, none more notable than Nat Lofthouse, both as a player and manager. Nat, of course, was capped 33 times for England. Yet another International of not so long ago, Jimmy Armfield held the post of Manager for the 'Trotters'. In the current exciting days enjoyed by all at Burnden Park, Ian Greaves is at the helm and we feel sure that he is very capable of steering Bolton Wanderers back to the First where they belong.

BOLTON

For the second season Bolton Wanderers are being supported in a practical way by the Barr Soft Drinks Groups, largest specialist soft drinks manufacturers in the U.K. whose products include Tizer, Jusoda, Strike Cola and Scotland's top selling Irn-Bru.

Barrs have branches nationwide including one at Edmonton, and as an extension to the agreement with Bolton are sponsoring a number of Wanderers' away fixtures this season including today's match. The company have always been pioneers, both within the soft drinks industry and in leading the way with soccer sponsorship in the U.K., and the Chairman, Mr. Robert Barr, is keenly interested in a wide range of sports.

Only recently Don Revie stated his views on sponsorship, and there are others like him who believe that sponsorship has an increasingly important part to play in helping to keep soccer clubs alive and financially viable.

The Barr/Bolton association is a practical working example of how it operates, and Bolton and Barr could well be blazing a trail which could be followed in a big way.

AGE CONCERN

Age Concern Lewisham as the name suggests are deeply involved in providing for the welfare of the elderly of this Borough. In Age Action Year 1976 The Lewisham Old People's Welfare Association whose headquarters are at 20, Brownhill Road, Catford, SE6 set themselves a target of £5,000 for a vitally needed minibus for elderly people in the Borough. As you will appreciate the bulk of this money has to come from voluntary aid. So we, in order to assist in some small way, have given their organisation permission to take a collection at The Den at our next home game against Blackpool. So when you visit The Den on Saturday 19th February please

be as generous as you can to their collectors. Thank You.

FUTURE FIXTURES

Next Wednesday 9th February our Reserves will be home to Watford in the Mid Week League kick-off 2.30 p.m. Next Saturday 12th February we visit Stamford Bridge to face top of the table opposition, Chelsea, where the kick-off will be 3 p.m. We still have some Stand tickets available for this match price £1.50p and these can be purchased from the Ticket Office in Cold Blow Lane after today's match.

On Tuesday 15th February we visit Hull City for our re-arranged League game, kick-off 7.30 p.m. On 19th February we are home to Blackpool, kick-off 3 p.m. Stand and Forecourt tickets for this match, prices Stand £1.40 and Forecourt £1.10p are available at the Ticket Office. The Juniors have two Home games at Langley

Park Beckenham during February i.e. 12th February against Ipswich Town and 19th February against Spurs, both matches kick-off 11a.m.

MATCH BALL

Sponsors for today's match ball are Paul Rose Printing Ltd, of 15/21 Great Dover Street, S.E.1., whose generous gesture is much appreciated.

SUNDAY MARKET

Have you visited the Sunday Market held at the ground every Sunday between 10 a.m. and 2 p.m.? Why not pop down to Cold Blow Lane tomorrow morning and pick up a bargain or two. There are a wide variety of stalls and you are sure to find something to suit your taste. You can park your car FREE at the Ilderton Road end of the ground, wander round for an hour or two, treat yourselves to refreshments and go away satisfied. The Millwall Market is a must for all Sunday Shoppers.

Good Afternoon Ladies and Gentlemen.

We extend a warm welcome to the Players, Officials and Supporters of Bolton Wanderers FC. for today's vital League encounter. Our opponents are enjoying a most successful season: Semi-finalists in the League Cup, and with a 1-1 draw at Everton in the first leg they have a magnificent opportunity to qualify for a Wembley Final when the teams meet again at Burnden Park on the 16th February. At present they hold second place in the League table, and are thought by many to be one of the best footballing teams in the division, so today's game has all the makings of an exciting and entertaining match. Our run of five League games without defeat came to a very abrupt end two weeks ago when Notts County defeated us by five goals to two. It was the heaviest defeat since I joined the Club and a day when the majority of the team failed to produce anything like their normal form. Mistakes were continually being made and our defence which has time and time again been the backbone of our team, was in the most generous of moods. One must not detract from Notts County's excellent performance but we in our camp were all agreed that our own performance contributed greatly to our defeat. It is incredible that our fine away form should be followed by such disappointing home results. If, a small word, but often with a wealth of meaning, we had maintained a normal home record then our League position would have been more than satisfactory. My task is to bring about, in the minds of our players, the same attitude of determination and discipline that has been most evident in away games. Too often we possibly feel that we are expected to win

at home and also to entertain, and thus we have allowed ourselves to lose both discipline and control. We know we are capable of top performances for we have over the past year proved this repeatedly. We shall quietly correct our minor failings and in the remaining three months challenge the best in the division. Our Reserves have repeatedly had their games postponed and since November 24th we have played only two games. With an improvement in the weather we hope that all our players can gain valuable match practice for with such a heavy programme ahead of us all our senior players are going to be required to be in top form. Our Junior team have experienced a difficult period of late due entirely to the fact that with five 15-year-old schoolboys in the team we have continually lost their services to County, District and School Elevens. This is a problem that we knew would arise, and although it affects our results at this stage it is an honour for our lads to gain selection to Representative Teams, and it assists them greatly in their development. One only has one's Schooldays once, and we are grateful to all the Headmasters and Sportsmasters for their fine co-operation as we attempt to develop our own local youngsters. Results may not always be correct but we know that with patience and hard work the standard of our playing strength will be greatly improved. Chelsea and Ipswich have shown this and are reaping the rewards now for the work begun four or five years ago. We intend to follow this pattern for we believe it to be right and I am certain that time will prove this policy correct. On a general news front, Wedding and Marriage news is well to the fore. Congratulations to Jon Moore and his bride Janice who were married last Sunday. We

wish them happiness and success in the years ahead. Two more of our bachelors have, along with their respective fiancées "named the day" for their weddings in June. Our single Lads are, in the words of a famous song "Dwindling down to a precious few." We are also delighted to hear that Linda and Ray Goddard's daughter who was born on the 27th December weighing only 11lb 15ozs is coming along fine, and it is hoped that she will soon be allowed to leave hospital and join her mother and father. All of us here wish them tremendous happiness and joy together.

A Readers' Column

We have from time to time tried to get our Readers interested in a column of their own in the Magazine without much success. We don't want the idea to die, so if you feel like writing to us on any subject let us have your letters and we will try and print as many as possible. Perhaps it might help if we quote from a letter sent recently by George Mason of Blackheath. George corresponds quite often in fact and on this occasion he refers to the definition of a 'good supporter'. He writes — "Is it attending all matches whenever possible, assisting the Club in its Fund Raising efforts, to further the good name of the Club, to do everything possible to strengthen the bonds between the Club and its Supporters, perhaps it is a combination of all these things. If that is so then I would suggest that our old Club is fortunate to have an abundance of such people." I don't think anyone will argue with George on that score. So let's have your views.

Mrs. G. Brown of 13 Jacob House, Kale Road, Erith, Kent has sent us a small poem entitled "Football Mad!" or you could call it "The Novice Fan." Her husband has been a supporter for many years, but the verses are about their young Son.

Poor Boy! Poor Boy!
He doesn't stand a chance.
Anything to do with football,
His father will enhance.
He might want to be a poet,
a Lawyer or an architect.
He may want to join a commune
or religious sect.
It will be his first birthday soon,
His father has ordered the cake.
The shape and design of a football pitch,
The bakers were told to bake.
'If you can't beat them join them',
This is often said.
So now he has a football rattle
At the side of his bed.
And I'm going to buy him a T-shirt,
with 'Millwall' across the chest,
So he can support his father's team
and 'holler' with the rest.

BOLTON W

JIM McDONAGH (Goalkeeper) Joined the Wanderers at the start of the season on a month's loan from Rotherham United. Impressed, and was signed for a £10,000 fee as cover to Barry Siddall. He got an immediate promotion with the transfer of Siddall to Sunderland. Jim is not tall for a goalkeeper but makes up for this with agility, bravery and a very safe pair of hands.

JOHN RITSON (Full-Back) Club skipper, John was born in Liverpool and came to Bolton from schoolboy soccer. Graduated through the junior sides and is now a strong defender who likes to attack down the flank.

TONY DUNNE (Full-Back) Eire International who played for most of his career with Manchester United. Was a member of the European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

SAM ALLARDYCE (Centre-Half) Born in Birmingham, Sam is one of the "finds" of last season. It was his first full season and he emerged as an outstanding defender and was voted "Player of the Year" by the Wanderers' supporters.

WILLIE MORGAN (Winger) Started his career with Burnley then moved to Manchester United for a big fee. He returned to Burnley and was signed by the Wanderers towards the end of last season. A Scottish international and member of the last World Cup squad.

STEVE TAYLOR (Striker) Born near Oldham, Steve got his first team chance this season mainly due to injuries. But he seized the chance well, quickly becoming the club's leading scorer. He is a strong, aggressive player who is good in the air. Has a good turn of speed also. Steve joined the Wanderers from school and graduated through the club's junior sides.

Back Row (left to right) Peter Thompson (inset) Peter Reid, Garry Jones, Roy Greaves, Mike Walsh, Brian Smith, Paul Jones (inset).

Middle Row John Byrom (Blackburn), Sam Allardyce, Barry Siddall (Sunderland), Andy Slack, Peter Nicholson, Neil Whatmore, Alan Waldron (inset).

Front Row Hughie Curran, Steve Taylor, John Ritson, Willie Morgan, Tony Dunne.

GARRY JONES (Striker) Manchester-born Garry had his best season for some time scoring 13 goals. He is a strong running attacker who has the ability to put pressure on defenders.

PETER THOMPSON (Winger) Peter is the former Liverpool and England winger who has won most of the honours in the game. A very tricky player, he is another player who is a firm favourite with the supporters.

ROY GREAVES (Mid-Field) Roy has completed 10 years with the Wanderers and had a testimonial game in the close season. He is a non-stop worker in midfield and is one of the few players to come from the Bolton area to join the Wanderers.

NEIL WHATMORE (Striker) Strong attacker with a flair for scoring goals. He hit 13 goals last season to become the club's joint top scorer. Is good in the air.

MIKE WALSH (Defender) Mike is Manchester-born and joined the club from school. He has yet to win a regular place in the side but is equally at home either in midfield or at full back.

HUGH CURRAN (Striker) Scottish international who missed most of last season because of a series of knee operations. He regained full fitness in the last month of the season and is looking forward to making his mark in the new season.

ANDERERS

PETER REID (Mid-Field) Another young player who came to the fore last year. Peter was discovered playing for Royton schoolboys and graduated through the junior sides to win a regular place in the first team. Reads the game well and is a fine passer of the ball.

ALAN WALDRON (Mid-Field) Alan was unable to earn a regular place in the side last season. Speedy, skilful player, he spent the summer in America where he played for Chicago Stings.

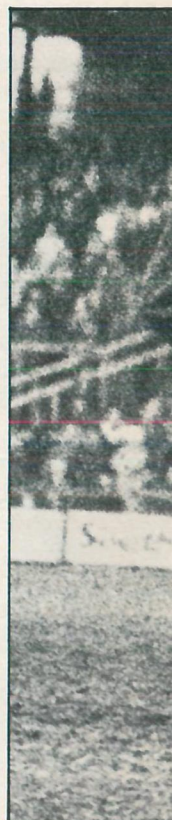

BRIAN SMITH (Mid-Field) Born at Walkden, near Manchester, Brian is a hard working player who is on the verge of gaining a place in the side. Made a handful of appearances last season.

PAUL JONES (Centre-Half) Born in Ellesmere Port, Cheshire. Paul is another player who has been called on by England boss Don Revie to join the Under-23 squad — last season he had a trip to Budapest with them. He is a commanding player in the middle of the defence and is very good in the air.
